**Mortarboard Challenge**
Rev up your creativity and get your glue guns ready! Three students will be selected and recognized during the ceremony for their mortarboard decorations. It’s a great chance to win some Fulton Engineering swag. No time to design your own? Download and print one of our pre-made mortarboard toppers at convocation.engineering.asu.edu.

**Diplomas and Gifts**
Graduates do not receive diplomas at the Engineering Convocation Ceremonies. Diplomas and gifts will be mailed separately, six to eight weeks after the commencement ceremony to your permanent address on file at the University Registrar’s Office. For more information, visit students.asu.edu/graduation.
